

ELECTRONIC FUNDS TRANSFER

With Electronic Funds Transfer, you have the option of easily and economically making your monthly contribution to KGCR. You simply authorize an automatic deduction of your gift from your bank account on the 5th or 20th day of each month.

YOU MAINTAIN CONTROL: You still have control over your giving just as if you were writing a check each month. At any time, by simply sending written notice to KGCR or The Praise Network, you can: 1) Change your donation amount; 2) Cancel your donation; 3) Change bank accounts.

ADVANTAGES: **You save money** – postage, checks & envelope costs are eliminated because your gift is transferred automatically. **You save time** – you don't have to write a monthly check or look for a stamp. **You save worry** – this convenient plan saves you the fear of delayed, lost, or stolen checks. **You save The Praise Network** – Electronic Funds Transfer cuts down on record keeping and check-processing costs.
